Happy Holidays to All Our DPS Customers

**While we are grateful for expressions of appreciation for services provided by DPS staff we want to remind you that DPS staff cannot accept gifts.**

During this time of year we have observed that many of you want to show your thanks and appreciation to DPS employees for their work during the year. Letters or emails of appreciation to the County Executive or the DPS Director are welcome. DPS employees and customers must comply with the Ethics Code Chapter 19A of the Montgomery County Code. As a code enforcement agency, we are particularly sensitive to the perception of giving preference to one customer over another and would prefer that employees not receive gifts. Thank you for your cooperation in advance and have a happy holiday.
