

## STREAMLINING DEVELOPMENT ROUNDTABLE

You are invited to the Streamlining Development Round Table to discuss responses to the Streamlining Development comments submitted at the two public forums, the survey and the web site. There will be roundtable discussions on the following categories. Participants will be provided with specific focal points in each category as identified in the data collection.

1. Environment; Storm Water and Sediment Control Permits
2. Transportation and Utilities
3. Pre- Development Review Committee, Development Review Committee, Pre-Preliminary Plan, Preliminary Plan, Site Plan, Montgomery County Planning Board Resolutions
4. Special Exceptions and Rezonings
5. Record Plats and Right of Way Permits
6. Building Permits
7. Bonds

The objective of each discussion on the above topics is to clearly state the problem(s) to be solved, identify solutions and the advantages and disadvantages of the recommended solutions. Following the round table discussion, these recommendations will be researched by work groups of stakeholders. A report of the work group findings and recommendations will be submitted to the County Executive and the County Council.
