Miscellaneous ROW ePlans Submittal Requirements

- Plans showing the limits of the right-of-way with existing features, including any impacted roadside tree(s), the proposed construction and its location within the right-of-way.
 - If roadside trees are impacted, a Tree Protection Plan may be required.
- If work entails sidewalk or road lane closures, an associated temporary traffic control plan must be uploaded.
- If permit is for placement of a dumpster, storage container, crane or other structure in the right-of-way, provide a site plan showing the proposed location of the structure.
- If applying for a crane permit, a certificate of liability insurance must be uploaded to the documents folder.
- Each plan sheet must be uploaded as a single file PDF using the correct file name convention.
- Plans must be uploaded into the Drawings folder and Supporting Documents into the Documents folder.
- Plans should only be uploaded to the Revisions folder if revising a previously issued permit.
- Other drawings and documents may be required as determined by the plans reviewer.
